BOLD COLORS COLLECTION

A pop of Color

Mystic has a wide selection of vivid and vibrant **reds, hot pinks, oranges & bright yellows**. These colors can create an intense **contrast and a pop of color** to any composition, giving any design a strong statement.

BLEND IN SHADES COLLECTION

Perfect for everyday use since they are the **go-to tones when harmonizing any color palette**. Plus, their versatility allows them to mix beautifully with the whole color spectrum of our flowers, making them an indispensable choice for florists and designers who seek to elevate their creations.

Explore our wide range of **peachy bicolored tones**, specifically designed to captivate and inspire. These hues allow florists to make sharp yet graceful **transitions between colors in their compositions**, adding a dynamic and visually engaging dimension to any design.

The peachy bicolors range from soft, delicate blushes to vibrant, sun-kissed oranges, offering endless possibilities for creating unique and eye-catching arrangements that resonate with **warmth and elegance**. Let these tones delight your senses and transform your floral designs into works of art that leave a lasting impression.

BE INSPIRED

Mauve Collection

Our Mauve Collection is highly **functional and timeless**. Mauves are a unique blend of bluish lilacs, delicately positioned between soft lavender and gentle pink hues.

At Mystic, we offer an **extensive spectrum of lavenders and dusty pinks**, giving you endless options to explore. The touch of green enhances the soothing effect of mauve, adding depth and richness that creates an enchanting contrast.

Of course, these colors also pair exquisitely with other tones like vibrant reds, warm yellows, and bold oranges, resulting in a captivating arrangement that catches the eye. Whether your design calls for a natural, garden-inspired look or something more vibrant and modern, our Mauve Collection offers a versatility that adapts beautifully, elevating any floral design into an unforgettable visual experience. 🌿
